SUBJECT No. 258.

A Government Girls' School at Hole-Narsipur.

Mr M. Subba Rao, Hole-Narsipur Municipality.

Summary of discussion.—A Government Girls' School may be started at Hole-Narsipur.

Reply of Government.—Noted.

SUBJECT No. 259.

A Veterinary Hospital at Saklespur.

Messrs. H. Thimmappaiya and Nanjegowda, Manjarabad Taluk, and Igur Puttegowda, South Mysore Native Planters' Association.

Summary of discussion.—In view of the heavy cattle mortality in the Malnad, a Veterinary Hospital may be opened at Saklespur.

Reply of Government.—Will be considered.

KADUR DISTRICT.

(Nos. 260—263.)

SUBJECT No. 260.

Removal of the toll-gate on the Bababudan road.

Messrs. B. Kesaviah, T. B. Malle Gowda, C. Srinivasa Rao, Chikmagalur Taluk; N. Nanjundiah, Chikmagalur Municipality; T. Narasinga Rao, North Mysore Native Planters' Association and Mir Mobamed Sab, Tarikere Taluk.

Summary of discussion.—The toll-gate on the Bababudan road may be removed.

Lands required for the road were not acquired by Government but were given free of cost by the planters. The revenue from the toll-gate is not sufficient to maintain the road and is inappreciable about Rs. 700. The levy of toll presses heavily only on the planters who maintain the feeder roads at their own cost. As the road leads to a sanatorium, the toll may be abolished.

Reply of Government.—Report from the Chief Engineer is awaited.

SUBJECT No. 261.

Construction of Railways.

Messrs. B. Kesaviah, T. B. Malle Gowda, and C. Srinivasa Rao, Chikmagalur Taluk, and T. Narasinga Rao, North Mysore Native Planters' Association.

Summary of discussion.—A Railway line from Kadur to Chikmagalur and thence to Hassan may be constructed. Another line passing through Aldur, Balehonnur, Sollebile, Koppa and on to Tirthahalli may also be constructed.

It was represented that the District Board had agreed to levy a cess of 1 anna in the rupee and that if interest is guaranteed and debentures are issued, a sum of Rs. 10 lakhs would be subscribed.

Reply of Government.—The question should be pressed before the District Board.

SUBJECT No. 262.

Conversion of the Anglo-Vernacular School at Sringeri into a High School.

Mr. H. Krishna Rao, Koppa Taluk.

Summary of discussion.—Owing to the distance, students in the Malnad find it difficult to go either to Shimoga or to Chikmagalur for receiving higher education. Consequently, many are forced to discontinue their studies. The Anglo-Vernacular School at Sringeri may be converted into a High School.

Reply of Government.—A question of funds. Will be considered.
